

Please read the following read, initial, and sign this agreement:

_____ The inflatables are to be handled in a manner that will not damage them and they must be returned in the same condition in which they were given. Each Inflatable will be inspected upon return. If there are any damages (includes, but is not limited to: Holes, Rips, Cuts, etc.) to the inflatable, an additional \$50 fee will be assessed to the Renter.

_____ Please adhere to the rules and regulations located on the inflatable - this includes, but is not limited to: age, number of children, weight, location of inflatable, etc.

_____ If the inflatable is used at a location other than the church, the renter is responsible for pick-up, set-up, clean-up, and returning the inflatables to the church, during normal business hours (M-F 8:30-5:00).

_____ If the inflatables are rented on any of the days Monday through Thursday, the inflatables shall be returned the following business day (i.e. If the inflatables are rented on Tuesday, they should be returned on Wednesday). If the inflatables are issued for use on Friday though Sunday, the inflatables will need to be returned on the following Monday, or as discussed with Cass Brannan on the return.

_____ The inflatables will need to be picked up on the day of the event. If the event falls on a weekend (Saturday or Sunday) arrangements will need to be made with Cass Brannan on a pick up time for the inflatables. The inflatables will need to be returned just as you have picked them up! Each inflatable, except for the Castle, has a carrying bag. Please return them in their original bags. The blowers will not fit in the bags.

_____ If the inflatables are NOT returned on the proper date designated, there will be an additional \$50 fee assessed to the Renter!

_____ Calvary Baptist Church will not provide extension chords for use with the inflatables. If renting them to use at the church, there are enough outlets located in the gym for them to be used.

_____ Please keep a close watch on all children in the inflatables at all times, to help prevent injuries. Calvary is not held liable for any injury that may occur during the use of the inflatables.

I have read, initialed and agree with and will follow the above statements of this agreement:
