

# Security Code & E-mail

In an effort to secure the buildings, the Family Life Center is locked down from open until close, Monday thru Friday. You will need a 4 digit pin number to enter the doors during that time.

Please write your choice for pin number:

\_\_\_\_\_

In order to enter the doors you must key in your pin followed by the \* key.

Any person who is unfamiliar to a teacher will be asked to show photo identification. We need written permission to release any child to anyone not on the approved pick-up list.

E-mail has become a popular way to communicate and we strive to make sure that parents are as up-to-date as possible.
